As you all know that work of data entry and uploading is in progress in all schools except a few. But no school could completed cent percent uploading till date. And some one's achievement is not upto the mark. But in the mean time our department is pressing hard to complete it within 31.05.19 as the require fund for data entry has been allotted vide memo no.644-SC/Apt dt.29.04.2019 @ Rs.8 per student. So there is no hurdle to entry the student's data by school's own resource or by engaging others as agent.

Hence all HOI are requested to complete this within above mentioned stipulated time. The SIS, concerned circle are also requested to monitor the total progress for expedition and they can call for a meeting with respective HOI as soon as possible.
