Sub: Liberal scholarships from M3M Foundation

Dear Shri Jain,

M3M Foundation has been established and funded by M3M India Pvt Ltd, a renowned real estate developer to undertake philanthropic activities with the objective of improving the condition of the underprivileged in the country. Various activities being undertaken by us are available in our website www.m3mfoundation.org

We have programmed to give a large number of liberal scholarships to 9th and 10th class students (Rs. 500/month) and to 11th and 12th class students (Girls - Rs. 600/month and Boys - Rs. 500/month). Preference will be given to BPL students. The other details are available in our website.

I request you to kindly to bring our scholarship scheme to the notice of all Govt. and Govt. aided schools and other schools in your state through the CEOs and DEOs so that all schools and their students become aware and make full use of M3M Foundation scholarship scheme.

I would be grateful for a line in reply.

Regards,

N P Gupta
