Sub: Processing Errors of manual ePension cases

In continuation of this office memo no. 805/S dt. 28.04.2020 and email communication by Directorate of School Education dt. 28.04.2020, this is to inform all HOI under the control of this office that a huge number of retired employees (manual cases) are not in a position to submit application for revision of pension due to some errors. They are requested to go through the process mentioned hereunder to update the errors of such employees having errors without any further delay within **04.05.2020**:

1. **For those employees who have retired/ died between 01/01/2016 to 31/12/2019 and do not have any User ID and Password for logging in e-Pension Portal**

The profile of those retired employees have been shown in edit mode in HOI/SI login so that they can update the **error details as well as the last pay** of that employee as per ROPA 2019.
