Memo No. 1094/S

Sub: Updating parents' data along with mobile number in Banglar Shiksha e-Portal

You are aware that at the initial stage of students' data entry in Banglar Shiksha Portal, guardian's name was mandatory instead of parents' names though at present both the parents' names are mandatory fields. It is noted that father's name is essential in case of issuance of Transfer Certificate / School Leaving Certificate in respect of a student.

Now, it has been observed that a huge number of students are there in each circle whose parents' data need to be updated. School wise such students' list is attached below for reference and updating their parents' data (in respect of both / either of the parents). In some cases, after issuance of TC/SLC, it has also been observed that the gender of the student is incorrect and therefore need to be rectified. It is also pointed out that as per previous instruction, mobile numbers of all students need to be verified and updated, if needed. These details are to be updated using the HOI login in e-Portal.

Therefore, you are requested to verify all data in respect of the students as per list attached and update accordingly, if needed.

Updating of students' records is to be completed within 14.09.2020 positively.

Encl: As stated above
