1. West Bengal Central School Service Commission (Commission, in short) by filing an affidavit affirmed by Assistant Secretary of on the 10.02.2023 (i.e. today) has intimated this court as follows: -

i) "I say that NYSA was an agency appointed by the Commission for the purpose of assessing/ scanning of the OMR sheets with regard to the 3rd Regional Level Selection Test, 2016 for appointment of Group D staff.

ii) After receiving the OMR sheets and in compliance with the orders passed by this Hon'ble Court, the Commission checked the OMR sheets and other data supplied by the CBI in the form of a hard disc which was retrieved from the office of NYSA, Gaziabad and compared the said data with the records as kept in the server of the Central Commission, wherefrom it appears that the marks of 2819 OMR sheets and 4 answer strings which were retrieved from the office of NYSA were lesser than the marks of the candidates as were kept in the server of the Central Commission.

iii) After cross checking the OMR sheets/ records of NYSA with the records of the Central Commission it appears that the marks of the said 2823 candidates (2819+4) in the records of NYSA are the correct/ actual marks while the marks in the server of the Commission are incorrect. Out of the said 2823 cases in which marks have been manipulated/enhanced, 1911 number of candidates were wrongly recommended."

(Emphasis given)

Thus the recruiting agency which took the examination, after verification and comparison has said that the marks in the NYSA records are correct/actual marks and the marks of the server of the Commission are incorrect. Therefore after this authority's affirmed statement nobody can say that commission's

statement is incorrect and wrong as the Commission is the highest authority in this regard.

2. Therefore it is evident that 1911 number of candidates, as were recommended by the Commission for group-D posts were not entitled to get recommendation and appointment. They got the recommendations, in my view, as a result of corruption, illegally by practicing fraud.

3. I wanted to know at this juncture from the learned counsel for the Commission Dr. S. K. Patra who was the Chairman of the Commission at the relevant point of time. Dr. Patra has informed this court that at the time of the selection test and also at the time of the publication of the result one Mr. Subiresh Bhattacharya was the Chairman of the West Bengal Central School Service Commission.

4. The Commission's server and its data room definitely were under the control of the Head of the Commission i.e. the Chairman and it is irresistible conclusion that unless the said Chairman was involved in manipulation of marks in the said server/hard disc in the Commission's office, the manipulation of marks could not have been possible.

5. Therefore, I direct the West Bengal Central School Service Commission to publish a Notification forthwith cancelling the recommendation of these 1911 number of candidates who were recommended illegally as a result of, corruption and fraud. Without manipulation of marks in the Commission's server those 1911 candidates could not have been recommended and subsequently appointed.

6. It is surprising that though the OMR sheets and the names of the candidates and their Roll Nos. etc. (who used those OMR sheets in the examination hall) were published by the Commission on 31st January, 2023 but none of the 1911 persons either approached the Commission raising objection to such OMR sheets or approached the court raising their grievance as to the OMR sheets published by the Commission.

This shows that they were reluctant and not willing to come forward raising objection as aforesaid and none of those candidates stated that such OMR sheet is not his OMR sheet. Such candidates are not required to be heard now because the proceeding was continuing for a long time and on different dates different

orders were passed of which the order dated 13.01.2023 and the Commission's publication of OMR sheets on 31st January, 2023 are highly relevant as the published OMR sheets clearly demonstrated that there were manipulations in awarding marks by the Commission which do not tally with the OMR sheets recovered from NYSA, which was the agency engaged by the Commission to assess the marks from OMR sheets.

7. This Court keeps in mind that the fraud practicing candidates rights are not the only rights in the facts and circumstances of this matter, the judiciary has a duty to protect and preserve the rights of the candidates who did not practice fraud and was not a part of corruption and for remaining honest have been deprived.

8. I am told right now that the Commission in the midst of passing this judgement and order uploaded a Notification cancelling the recommendation of 1911 number of candidates as it is established by the verification of data by the Commission itself that the marks recorded in the Commission's server of such 1911 candidates are incorrect.

9. Mr. Bhattacharyya, learned Senior Advocate for

the petitioners has submitted that this is not only incorrect, these are manipulated. This submission I accept.

10. As these 1911 number of candidates were illegally recommended as they were not entitled to get any recommendation, the West Bengal Board of Secondary Education should publish a Notification forthwith canceling their appointments as appointments were given on the basis of recommendation of the Commission by the West Bengal Board of Secondary Education.

11. In place of 1911 number of candidates I direct the Commission to include in the vacancies that have been created by cancellation of recommendation, the wait listed candidates following their merit and in accordance with the categories and genders etc. in course of the day with a rider that if at any point of time it is found that any of the wait listed candidate's OMR sheet is also manipulated, his recommendation shall also be cancelled.

12. As a large number of genuine candidates are waiting for a long long time and as they are the victims of corruption at the high places I cannot wait for more than 24 hours for publishing the names of the waitlisted candidates for the

vacant positions in the panel and the recommendation to these candidates whose names would be brought in the panel from the wait list shall be given recommendations within a period of three weeks from tomorrow i.e. the recommendation shall come to an end by 6th March, 2023 and appointment letters shall be issued by the Board by ten days from 06.03.2023.

13. I direct the petitioners to add Mr. Subiresh Bhattacharya, the former Chairman of the School Service Commission (now in custody) as a party respondent.

14. I direct Mr. Suberish Bhattacharya to disclose the names of the person/persons at whose direction such corruption i.e. manipulations of marks in the Commission's server were committed. If such names are not disclosed by him it shall be presumed that it is Mr. Bhattacharya himself who is the mastermind and the fountain-head of such corruption and all persons affected by such corruption shall have the right to recover damages from him and/or his estate.

15. Mr. Bhattcharya, the former Chairman was a Professor, and Vice Chancellor of a University. I hold that he shall not be allowed to use his

qualifications of Masters Degree and Doctorate Degree till he is honourably acquitted from the case registered by C. B. I. in this matter.

16. This court hopes and expects that Mr. Bhattacharya will come clean on this issue and name the masterminds and the main beneficiaries of this corruption and if Mr. Bhattacharya requires, this court will direct the Central Forces to give protection to his family members, if he has any apprehension in respect of their safety and security and of himself.

17. I am told that West Bengal Board of Secondary Education has already taken steps for cancellation of the appointments given by them following the recommendations given by the Commission and I am told that this Notification would be published immediately.

18. Therefore those 1911 number of candidates shall not be treated as 'Group-D' staff of the schools where they were recommended from today itself and they shall not be allowed to enter into the school premises and shall not be allowed, to handle any properties of the schools in any manner whatsoever.

19. Such 1911 persons also shall not get any salary any further as the Group-D staff of the schools and the salary they have received from their

date of appointment shall have to be refunded by them to the Government in installments equal to the months for which they have drawn the salary. Their service is a result of fraud where they have equal partnership and responsibility. Such 1911 persons shall be interrogated extensively by C. B. I. and if necessary C. B. I. can start custodial interrogation also. For finding these 1911 persons out the superintendents of police of each of the districts shall extend help to C.B.I. through the police force under them.

20. These 1911 persons shall not be allowed to participate in any examination relating to any public recruitment in this country without the leave of this court and it is expected that they will come clean before C. B. I. i.e. the Investigating Agency about the way they got the illegal appointments. In respect of these persons who got appointments as a result of corruption and fraud, as they are also part of the corruption and fraud their police verifications for any service under any public authority in future shall also not be done without the leave of this court.

21. I adjourn this matter till 14th March, 2023 when it will be taken up at 2 p.m. for further hearing

and for filing reports by the Commission and the West Bengal Board of Secondary Education as to the steps taken by them regarding compliance of this order.

22. The affidavit filed by the School Service Commission today is kept on record.

23. Commission is directed further to include 609 numbers of candidates of Group-D from the wait list to the 609 number of vacancies whose services were terminated by order of this court on 28.09.2022 in WPA 12266 of 2021.

Party/parties is/are represented in the order of their name/names as printed above in the cause title.

Under challenge in these appeals are Orders dated 9th February, 2023 and 10th February, 2023 in WPA 18585 of 2021.

The appellants in all the five analogous appeals represented by their Learned Counsel submit that the

Hon'ble Single Bench has passed drastic orders without granting the necessary parties, i.e. the appellants, the opportunity of being heard. It is submitted that the impugned orders of the Hon'ble Single Bench have led the West Bengal Central School Service Commission (for short, the Commission) to notify the cancellation of appointments of the appellants, who were serving in Group-'D' Posts selected in the 2016 Recruitment Process.

It is also submitted that in terms of the West Bengal School Service Commission (Selection of Persons for Appointment to the Post of Non-Teaching Staff) Rules 2009 (for short, 2009 Rules), there is no statutory basis for penalising the appellants. It is pointed out that not only the appellants stand to lose their jobs but they have been also directed to refund their salaries as well as face the prospect of being debarred from applying for future gainful employment.

Per Contra, Learned Counsel for the Respondents/the Writ Petitioners and the Commission submit that the orders impugned dated 9th February, 2023 and 10th February, 2023 are the culmination of a series of orders by which the Hon'ble Single Bench adjudicated the issues. It is submitted that at no point of time the appellants had approached the Hon'ble Single Bench to demonstrate that the OMR Sheets which have

been compared on the basis of the electronic evidence supplied by the CBI, are not their OMR Sheets. It is therefore submitted that the Hon'ble Single Bench has correctly directed cancellation of the appointments of 1911 candidates whose OMR sheets have been found to be manipulated and also directed that the resultant vacancies be filled up by appointing *bona fide* candidates from the Waiting List.

Heard the parties in detail.

Closely examined the materials placed.

At this stage, considering the principles of balance of convenience and double jeopardy, there shall be only a stay of the portion of the Order directing the appellants to refund salaries from the date of their appointments as stated in Paragraph 19 of the Order dated 10th February, 2023, until further orders.

List the appeals for further hearing on **3rd March, 2023** under the heading **"Mentioned Matter"** at **10.30 A.M.**
